Important Points:

- Academic planner is made available on website in April every year. It consists of tentative exam dates and open house / result date.
- Minimum attendance required to appear in the Final Examination is 75%, as per CBSE guidelines. The name of the student will struck off from the rolls of school if he/she is absent for more than 10 days without sanction of leave from the Principal.
- Co-scholastic subjects (Work Education, General Studies and Health & Physical Education) will be graded on the basis of continuous and comprehensive evaluation.
- A student has to appear in all the examinations to be declared passed/ promoted, except in case of medical emergency or when representing school at district, state and national level games/sports.
- Parents are given a continuous feedback about students' academic performance through Open House /scheduled meetings. Complete co-operation and home support is required to ensure that the student performs at the level required to be promoted to the next class, failing which a student may be asked to repeat the class.
- Compartment Exam (Retest) will be taken in the second half of the March so that the student attends the next higher class in the new session.
- Date sheets are placed on school website 2-3 weeks before exams.
