

Maharaja Sawai Bhawani Singh School, Jaipur

My dear students,

I hope you have enjoyed the summer vacations. I am sure you are relaxed, recharged and ready to start with your academics once again. I am so delighted that you are part of our remarkable learning community. I welcome and value your constructive energy and enthusiasm. Maharaja Sawai Bhawani Singh School has always strived to move ahead relentlessly with dedication to excellence in education.

We have been eagerly waiting to have you all back in school with us. I think, we will have to wait for some more time before we see you back in school. I am happy that most of you have been attending the online sessions conscientiously and are showing your enthusiasm to learn and giving your best in these unprecedented times.

As always, the skilled and devoted teachers have planned for the academics to begin from 1st July 2021, they have upgraded themselves according to the times and have upgraded their skills to teach using the technology.

We have been into a global pandemic for a year and a half now, many of us have had a difficult time due to the second wave of the Pandemic. I pray all is well with you and your families.

We have lost a very dear member of the MSBSS family, Mrs. Rashmi Singh. She was a dedicated and a kind teacher and will always be remembered by the students and colleagues.

Wishing you all a safe and healthy time ahead.

*Vaidehi Singh

International Dimension in Schools Award by the British Council (2020-23)

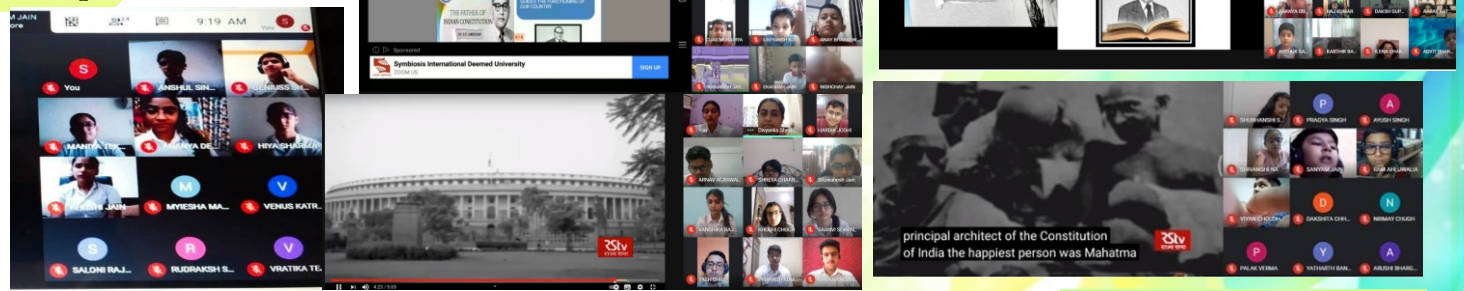

Maharaja Sawai Bhawani Singh School was awarded the International Dimension in Schools Award by the British Council (2020-23). The British Council International Dimension in Schools Award (IDS) is a benchmarking scheme that accredits schools as having an outstanding level of support for nurturing its students as global citizens and enriching teaching and learning experience. The accreditation will have a positive impact on the students and teachers alike as it allows the window of opportunity to interact with schools in other countries and cultures, giving teachers and students a new outlook on the world. It will help bring in internationalism in the curriculum and globally conscious ethos.
