

# Maharaja Sawai Bhawani Singh School Jaipur

*Dear Students and Parents,*

*I take immense pride in reflecting on the many accomplishments and meaningful milestones achieved by our students. The past few months have been a testament to their dedication, perseverance and enthusiasm for learning.*

*Our students have excelled across academics, sports and co-curricular activities, bringing recognition to the school through their outstanding performances in various prestigious platforms. Our commitment to fostering innovation and hands-on learning has been recognised once again as the ATL School of the Month by the Atal Innovation Mission, Niti Aayog.*

*We are also proud to receive the Green School Award from the Centre for Science and Environment for the third consecutive year, acknowledging our ongoing commitment to sustainability and environmentally responsible practices.*

*Experiential learning remains at the forefront of our curriculum through the integration of ATL projects, CBSE initiatives, and leadership programmes. The tGELF and life skills sessions have inspired students to cultivate strong values and focus on their mental health and well-being. Furthermore, both the Pariksha Pe Charcha session and Orientation Sessions for Classes X and XII shared the essential motive of equipping students with clarity and confidence while playing a vital role in guiding students through the technicalities of the examination process.*

*In the same spirit, our students actively engaged in immersive learning about the Chandrayaan and Life Underwater through a Virtual Reality Experience, which enabled them to explore space science in an interactive and captivating manner. Our students' creative talents shone at the INTACH Filmit India Film Festival, where they earned accolades for exceptional storytelling and filmmaking that showcased their unique imagination.*

*The Farewell Ceremony for Class XII marked a poignant milestone in our students' academic journey, enveloped in a wave of nostalgia and heartfelt wishes for their bright and promising futures.*

*I congratulate the winners of the PRASANG Awards, who have proven themselves through their outstanding dedication.*

*I wholeheartedly thank parents and students for their unwavering support and commitment.*

*Together, let us continue this journey of growth and success by upholding the values of excellence and integrity.*

*Vaidehi Singh  
Principal*
