

Maharaja Sawai Bhawani Singh School Jaipur

Dear Students and Parents,

As we come together to welcome the New Year 2026, I extend my heartfelt gratitude to each one of you for your unwavering support, which has been instrumental in our many achievements.

It has been an incredible year for the school, marked by remarkable accomplishments that reflect our strong commitment to innovation and holistic education.

We are pleased to share that Maharaja Sawai Bhawani Singh School has been ranked No. 4 in Jaipur in the Education World India School Rankings 2025-26. We also take pride in the outstanding academic achievement of a student securing an All India Rank 2 in CLAT 2026, a true testament to focus, perseverance, and academic excellence.

Creativity flourished as students received accolades at the National level tGELF Harmony Fest in categories such as Youth Leader, Art for Voice and JA Lead Company of the Year. Our budding entrepreneurs were also awarded with cash awards for their innovative business ideas across platforms such as the Futurepreneurs' Challenge. Academically, students excelled in prestigious competitions including the Pushpa Jaipuria Mathematics Olympiad and Vidyarthi Vigyan Manthan (VVM).

Participation in CBSE initiatives, along with educational visits and picnics have further enriched learning beyond the classroom, providing students with meaningful experiential learning opportunities.

In sports, students brought laurels to the school, with the U-19 Girls Handball Team securing Second Position at the CBSE Handball National Tournament, alongside commendable performances at district and national levels across various sports. The school also successfully hosted Sports Day for all classes, ensuring widespread student participation.

The Annual Function, themed "Stories of Courage and Triumph," was a resounding success, witnessing enthusiastic participation from students across classes. Through powerful and expressive performances, students conveyed inspiring narratives with confidence and sensitivity, leaving a lasting impression on the audience.

The Jaipur Education Festival 2025, held at The City Palace, Jaipur, further provided a meaningful platform for students to express themselves on the theme of Mental Health and Well-being through a graceful dance performance, posters, collages and creative installations.

As we celebrate these achievements, I extend my best wishes to all students for their continued success and growth.

Wishing you all a Happy and Prosperous New Year!
