

# Maharaja Sawai Bhawani Singh School Jaipur

Dear Students & Parents,

As we turn the pages of this vibrant new session, we are reminded that each term brings with it new beginnings, fresh aspirations, and meaningful accomplishments. The first quarter of the academic year 2025–26 has truly reflected our shared commitment to learning, growth, and community spirit.

Our students, with their unique strengths and unwavering determination, have made us proud in countless ways. From the commendable CBSE results of Classes X and XII to the sincere efforts put in by every learner, each step forward deserves recognition. Whether it is setting new benchmarks or simply giving one's best, we celebrate the journey of every student.

Beyond academics, our campus has echoed with creativity, collaboration, and enthusiasm. The fourth edition of the Model United Nations saw active participation from our students as well as peers from schools across Jaipur and neighbouring areas, involving thought-provoking debates and diplomacy. Workshops on leadership, innovation, and career planning opened new horizons for our learners. Among the memorable moments this quarter was the Investiture Ceremony, where we proudly entrusted leadership roles to our young changemakers.

The 13th Maharaja Sawai Bhawani Singh Memorial Tournament brought together teams from across the region, fostering sportsmanship, discipline, and a deep sense of pride in honouring our school's legacy. As a school that places strong emphasis on the health and fitness of our students, we also organised summer sports activities that provided structured training, physical development, and meaningful participation for our young athletes during the break. In keeping with this focus, I strongly encourage our students to adopt healthy eating habits—eating right is the foundation of both physical and mental well-being.

We deeply appreciate the involvement of parents in various activities that enrich our school community. Even small moments of participation, such as those seen during special occasions like Mother's Day, add warmth and strengthen the bond between home and school.

Sports victories, artistic expressions, and community outreach efforts like The Joy of Giving have greatly inspired our students to engage actively beyond the classroom.

As we move ahead, we will continue to nurture a culture where every student feels seen, valued, and inspired to evolve not just in knowledge but in character, empathy, and compassion.

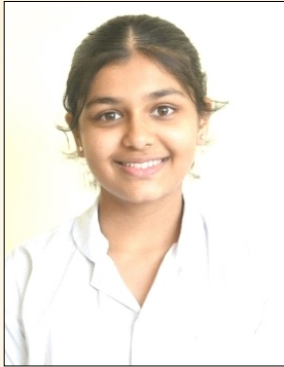

Best wishes,  
Vaidehi Singh  
Principal
