Maharaja Sawai Bhawani Singh School, Jaipur

Dear Parents and Students,

Thank you for yet another wonderful and productive school year especially during these Pandemic times. I would like to thank each one you for your support by volunteering, chaperoning, organizing, and doing whatever was necessary to support students both at home and at school.

I would like to place on record the appreciable efforts of teachers whose endless energy, ability to rise to the occasion and respond to the call of duty has added whatever was necessary to our students' already rich school experience. MSBSS has an incredible group of mentors.

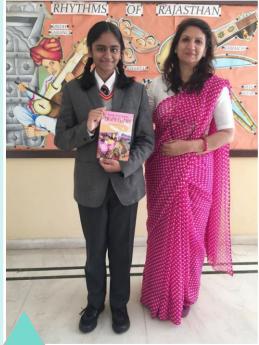

Students have excelled in many fields, their achievements surely will make us all proud of them; be it in the field of academic studies, sports, music, the arts, to name a few. In this Newsletter we have tried to list them for you to feel equally happy and proud of the laurels they have won.

My dear students, I am proud of your perceptive insights and remarkable abilities, Wishing you all a safe, happy and joyful new Academic Session 2021-22.

Vaidehi Singh Principal

Concept of Life Skills

Life Skills-The Need

- The need for life skills is growing due to changing trends that affect modern life such as family structures and the decline of religion (WHO, 1999).
- · With the rise of media influence, new challenges are added to the mix as young people struggle to find their identity amidst cultural and ethnic diversity (WHO,
