

Maharaja Sawai Bhawani Singh School, Jaipur

My dear students,

We are delighted to welcome you back to the exciting school life! Whether you are beginning or continuing your educational journey with us, we look forward to learning, exploring, and growing together, as a new school year comes with many new opportunities.

Throughout the pandemic, all of us have faced challenges. Each one of us have cultivated in ourselves the ability to adapt to an ever-evolving situation, and to find opportunities for growth amid the many changes. The 2021-22 year still holds some unknowns for us in light of the pandemic, and we will all have to remain understanding and flexible yet determined to move ahead amid a fluid situation.

Capacity to learn is a gift, developing the ability is a skill, and being ready to learn is a choice. Learning never ends, and we believe that anyone who is curious and ready to learn will be successful. So, cultivate in yourselves a desire to learn and never give up.

Paramount to the academic achievement and excellence at MSBSS, our commitment to diversity, equity, learning from each other is equally important. We encourage to foster a community free of intolerance, to be respectful and be supportive to one and all. Always remember, we rise by lifting others. The words we speak may serve as an inspiration to many, so be mindful of your words, engage in the process of critical and rational thinking. Similarly, the actions we take have far greater evolutionary, cultivate the habit of being compassionate and empathetic to not only to your peers in school but to everyone around you.

Wishing each one of you a successful academic session 2022-23.
