

# Maharaja Sawai Bhawani Singh School, Jaipur

My dear Students,

At the outset, on behalf of the MSBSS family, I wish you and your families a Very Happy New Year, may 2022 bring abundance of amazing blessings, joyful experiences throughout the year.

The school has continued to stay connected with students and the stakeholders even in the most difficult times of 2021 and have ensured to follow the same holistic approach to education addressing the students' learning, social and emotional needs in times of crisis. Through the online Google meet platform not just the academics were taken care of but different activities were also organised for the students. The Term I CBSE Board Examinations (2021-22) for the students of Class X & XII were conducted successfully.

The school reopened for the physical classes in a phased manner for the students, the outstanding team of the administrative staff, teachers, sports personnel and the support staff work tirelessly to provide the conducive environment / safe & healthy surroundings to the students every day. The knowledgeable and dedicated team of teachers support the students in the mission to help each and every child realise his or her protentional to become a responsible citizen and appreciate the multi-cultural society in which we live.

Academic success is important because it is strongly linked to the positive outcomes. Along with academic pursuits one must equal importance to sports and other physical activities as they develop mental strength, higher self-esteem and a positive mind set.

In spite of the uncertainties, I am confident that our Bhawanisighite spirit and positive energy, teamwork, and dedication to excellence will guide us through another successful year. Continue to stay positive and inspire others too. Always remember successful are those who never give up to difficult situations and problems. You have a lot of potential to make the impossible possible.

As always, I would like to express my gratitude to the parents for the help and support provided to the school at all times. Hope this new year makes all your dreams come true, and your wishes be fulfilled.

Vaidehi Singh  
Principal
