

# Maharaja Sawai Bhawani Singh School, Jaipur

As we usher in the New Year, I would like to thank all the parents and students for your support and cooperation in making 2022 a productive and wonderful year. MSBSS is celebrating the 15th year milestone of the glorious and a successful educational odyssey. This could not have happened without the endless energy of the parents, skills and devotion of the MSBSS staff. Well done to an incredible group of professionals of Maharaja Sawai Bhawani Singh School!!

At Maharaja Sawai Bhawani Singh School, it is our endeavour to provide education and environment that helps students to grow personally, professionally, and emotionally resulting in joyful learning. Curiosity and a deep desire to excel adds to the students' fulfilling school experience. The holistic education imparted here has the potential to have the students introspect how best can they contribute to the society and country at large.

This year, we have successfully organised the Sports Day of Bubbles & Primary section, Maharaja Sawai Bhawani Singh Memorial Inter School Tournament with the participation of about 6000 students. And also the Annual Cultural Show which was much appreciated. This is not the end, there is more to come in the next year before we close down for the session 2022-23.

The School Sports team has won laurels and made the school proud with their outstanding achievements. I am happy to share that most of our students are bestowed with astute insights and amazing talents, they have secured admissions in some of the prestigious colleges of the country.

I would like to extend my best wishes to you all for a Happy, Healthy and a Prosperous New Year. May 2023 bring good fortune to one and all!!!
