

Maharaja Sawai Bhawani Singh School Jaipur

Dear Students and Parents,

As we begin the Academic Session 2026-27, we look ahead with optimism, renewed enthusiasm and a shared commitment to excellence. With new beginnings come fresh opportunities for growth, discovery and achievement, and we are excited to embark on this journey together.

The first quarter of the session has already been marked by remarkable accomplishments. The exceptional results in the CBSE Class X and XII examinations are a testament to the perseverance and dedication of students, as well as the steadfast support of their teachers and families.

A particularly memorable highlight was the visit of our revered Founder and Hon'ble Deputy Chief Minister of Rajasthan, Mrs. Diya Kumari Ji. Her inspiring interaction with students left a lasting impact, motivating them to dream ambitiously while staying rooted in the values and principles that define MSBSS.

Adding to our pride, Team SoccuZ, comprising four talented Class XII students, brought international recognition to the school by winning the prestigious Best Customer Validation Award at the TiE Young Entrepreneurs Global Summit 2026, held in Kochi, Kerala. Competing against 35 teams from across the globe, their achievement reflects innovation, entrepreneurial spirit and a keen understanding of real-world challenges.

True to our vision of holistic education, the campus has remained vibrant with a range of enriching experiences. The successful Second Edition of Intra-School Youth Parliament - Lok Sabha, diverse summer programmes, focused career counselling sessions, and skill-development workshops have provided our students with valuable platforms to explore their interests, enhance their skills and build confidence.

As we continue through the year, our focus remains on nurturing well-rounded individuals by fostering academic excellence alongside creativity, leadership and personal well-being. We encourage every student to pursue their passions with determination while maintaining a healthy balance between scholastic and co-curricular pursuits. We are grateful to parents for their continued trust, encouragement and partnership. Together, we can create an environment where every child is empowered to learn, grow and thrive.

Wishing everyone a rewarding, enriching and successful year ahead.

*Best wishes,
Vaidehi Singh
